FOR AN ADVENTURE IN MUSIC . . .
WURLITZER

Lessons Learned at the Piano Can Help Your Child Succeed at Life

Few things so enrich life as understanding and appreciating music . . . and the piano is the "maid of all work," the unequalled instrument for learning the principles of rhythm, harmony and melody. At the same time, it encourages the development of a well-rounded personality; concentration; alertness; poise.

A former U.S. Commissioner of Education explains the benefits of musical training in this way: "Education in music has the effect of training the memory, quickening perception, stimulating the imagination and encouraging concentration . . . the best music students are nearly always found at the head of their classes in other studies."

A complete education includes music. Start your child's musical training on a Wurlitzer -- more children learn on a Wurlitzer piano than that of any other name.

Be A Scout Leader

The Boy and Girl Scouts of Appomattox are inviting interested adults in the area to help them continue and expand their scouting program.

Many young people in the area now enjoy the benefits of this program, but, there are many many more who are being denied this opportunity. due to a serious shortage of adult leadership.

The following is a list of the positions that must be filled in order to simply maintain the current level of activity, without considering an expansion in the county program: Brownies - age 7 and 8 needs 1 leader and 2 assistants; Junior Girl Scouts - age 9 -11 needs 1 leader; Senior Girl Scouts - age 15 to 17 needs 1 leader and an assistant; Cub Scouts - age 8 - 10 need an assistant cubmaster; Webelo Den - age 10 needs a leader and assistant.

Scouting, like any other youth program, depends upon adult volunteers for success. Without the leadership and guidance of interested adults, scouting could not become the largest most wide-spread youth program in the world.

Scouting offer adults a very real challange and unique opportunity. The only qualifications to be a Scout Leader are an interest in young people and a willingness to devote a few hours of time to spend about one hour a week conducting a troop meeting and attend a leader meeting once a month. In addition to this there are troop activities, planning sessions and occasional special meetings.

Be a Scout Leader. The cost is small and the effort is slight, but, the benefits to the young people of the Appomattox area and to you are immeasurable.

To volunteer your services or to obtain more information, call Girl Scout Chairman, Mrs. Harry Alderson at 352-6519 or Boy Scout Scoutmaster, Floyd Flint at 352-7250.
